If the quarters are vacated, the question whether it may be allowed to Mrs Mary J. Whale Asst Lady medical Officer who is entitled to free quarters in the Victoria Hospital Compound but is not living in it as it is otherwise occupied, may arise. The file containing the proposal to grant house rent to the Lady Officer in place of free quarters is now before the Desk Submitted for orders.

(3) Dr BGS Acharya asks for both the allce and the quarters that Dr R Iyengar was given.

(4) The St Surgeon is of opinion that both were personal to Dr R Iyengar and Dr Acharya cannot have them unless they are supposed to go with the appointment of the Superintendent Minto Oph Hospital.

(5) It appears from the order sanctioning the allce to Dr R Iyengar that and from the letter of the then St Surgeon Lt Col Sapyte recommending it that the allce was considered special and personal to him. And from the same order the house seems to have been given to him as he had been in

it in virtue of being Govt oculist for some time.

As the "Govt oculist" of some years ago is now the Supdt of the ENT Hospital he may be given the quarters till recently occupied by Dr Nayak

As for the allce the work of the Hospital is particularly responsible and it is in view of that that Mr Acharya is getting now an Allce of Rs 80 pm. The fact of the permanent Supdts death need not prejudice Dr Acharya. The allce actually recommended by the Supdt for the post was 200 Rs. So an allce of 100 Rs may fairly be ordered to go with the appointment.

8) This is desirable especially in view of the fact that no particular grade of pay seems to be required under the rules to be in charge of the Hospital.

(12) The reorganization of the Medical Department now under consideration is proposed to be given effect to from the 1st January 1918 and it is also proposed to ask the Senior Surgeon to suggest in what grade under the new scale, the several medical officers are to be placed and what allowances are to be continued. After the reorganization order issues and the emoluments of Mr. Acharya for being in charge of the Minto Hospital are fixed on receipt of ~~the~~ further proposals from the Senior Surgeon, the same may be sanctioned with effect from the date on which he ceased to be Resident Medical Officer. This would be better than sanctioning a temporary allowance as suggested in the note above.

(13) As regards quarters, Mr. Acharya may be allowed to occupy temporarily the Government building occupied by the late Superintendent

The Senior Surgeon may be asked to take it up and suggest which of the several medical officers should be provided with quarters and from which of them rent may be levied for the quarters provided.
